✘ **“One survivor told us: ‘With no money, no legal status, and terrible anxiety, I called your number. I was offered shelter and, most importantly, I was given hope. I was able to file a restraining order and a police report, and apply for relocation funds, with your advocates’ assistance. I will rebuild myself, my financial stability, and my dreams for myself and my children. I know it won’t be easy, but I know I can do it.’”**
